Dear Fiona + CO

Thank you for all the time, Helping us making a pizza and telling me about, tea spoon, dessert spoon and a Table spoon. Thank you for all the hygiene and Telling about the nutrition, and the, food triangle which had Protein, carbohydrate, vitamins and minerals and fat, sugar and Salt. Thank you for all you done. ~~At~~ And

Obviously this curriculum should be in the St school curriculum. obviously this ^{is} Fabulous. obviously the Ks KCS is the best & kids cookery school ever and my dad ate the whole pizza and he said "your pizza is the best in the west" and my mum, said "..... it's fabulous!"

Dear Fiona and Ab,
Thank you for teaching me how to
cook. I think the favorite
thing I cooked was my pizza.
I learned that you put
cheese on a pizza last
