

## **After school cooking club run by Caterlink at St Mary & St John CEVA Primary School.**

Each term at St Mary and St Johns in Rutland, we offer a wide range of after school activities which appeal to the whole school age range. We support parents by enabling them to book children into either the Breakfast Club, After School Club, Sandwich Club or Twilight Zone. Each club offers the children a wide range of activities ensuring there is always something for everyone!

We have worked with Caterlink, who provide our breakfast club, after school refreshments and lunches on site daily, to extend their offer to provide lessons for pupils after school. They offer an After School Cookery Class working over a 6 week period.

Having a provider who wants to work with the school and provide a service with trained team members working in the school already, helps us to deliver a range of activities with familiar faces in a safe environment. What's more, the children have fun and get to take home their offerings to show their families. The sessions always commence with an emphasis on hand washing/hygiene, knife control and information about provenance.

Lessons offered include:

Week 1: Bread making and decorating

Week2: Making cookies and decorating

Week3: Younger pupils decorating cupcakes; older pupils making from scratch

Week4: Making fruit salad
